

# Hollywood Dreams

## Miguel

Lost angel with an urgent subtle  
Jaded eyes, and this empty fixation  
Sweet Hollywood sign, you're my salvation  
Cokey scenes full of pipe dreams  
Palm trees and a numb sensation  
Chasing, uh-huh  
Vivid schemes, put my name on a marquee, alright  
Still waiting for my big break (big break), for fame sake, alright And we could be better than heroes baby, alright  
We could fly higher than spaceships baby, all night  
Said could you ever find the magic man (magic man)  
He can make it all happen (happen), alright  
Lost Hollywood dreams  
Lost Hollywood dreams Say wow, up fame, became your religion woman  
You need 'cause all your faith is coming  
Now the walk of shame woman  
It's reputation, cheap thrills, fake friends, coke binge  
What a numb sensation  
Then he said, "honey I can put your face on the big screen  
Well aren't you looking for your big break (big break)?  
Come here, for fame sake" (yeah) And we could be better than heroes baby, alright (alright)  
We could fly higher than spaceships baby, all night (all night)  
Girl you're looking at the magic man  
I can make it all happen (all happen)  
Lost Hollywood dreams (yeah) And we could be better than heroes baby, alright (alright)  
We could fly higher than spaceships baby, all night (all night)  
Said could you ever find the magic man (magic man)  
He can make it all happen (all happen), alright  
Lost Hollywood dreams (Up and down Hollywood sunset)  
(Up and down)  
Lost Hollywood dreams
