

Stand Up (And Be Counted)

Venom

We are the tyrants, messengers of Satan
We pledge you all, raise your hands
This is the solstice, hail legions arise
We'll raise the roof, touch the skies We're praying for
The wings of Mayhem to arrive
The screaming fury burns
Brings us alive Stand up and be counted
Stand up and be counted We are the demons children of fire
Your turn has come
Live your desire, burning ambition
We're staying wild
We stand as one never denied Defiant and proud, we stand together
Metallic and loud we will fight
Devastation, pure hell
Legions of the night Stand up and be counted
Stand up and be counted Come on, raise your hands
We are the black metal gods
V E N O fucking M
Are you with us right until the end? Stand up and be counted
Stand up and be counted Come on right at the back
You wanna be counted as well?
Stand up and be counted
