

# Soul Of My Soul

## Steel Pulse

We've got our lives to live  
So let's make a start One life one love one aim  
And of one heart Our love is reaching new horizons  
Stretching further and higher than before  
Sometimes it feels so inspiring  
I want to turn out the light  
Settle down and close the door Please don't ever leave my side  
'Cause you're always on my mind  
You are truly magical  
You are one of a kind  
Though we've had our sticky times  
We were able to survive  
This love is real [Chorus:]  
Soul of my soul  
Each beat of my heart  
You light up my life  
Let's make a start  
Soul of my soul  
Dream of my dreams  
You light up my life  
Let's make it right  
Soul of my soul  
You light up my light The thrill of our first encounter  
Lingers deep within my consciousness  
How can we ever forget  
Our first touch on the night  
That we first met Please don't ever leave my side  
'Cause you're always on my mind  
You are truly magical  
You are one of a kind  
Though we've had our sticky times  
We were able to survive  
This love is real [Chorus] Rub me dub me like dis ya  
Love me love me like dat deh We've got our lives to live  
So let's make a start  
One life, one love, one aim  
And of one heart Please don't ever leave my side  
'Cause you're always on my mind  
You are truly magical

You are one of a kind  
Though we've had our sticky times  
We were able to survive  
This love is real
