# Born Yesterday

## Forty Foot Echo

Could've been the silence that's awakeI'm a waitin for another chance
I lay down my head for the day
Cause there's nothin' else
Anything, anything, anything, anything, anything, anything, anything, anything, anything, anythingCould've been the silence that you make
I wasn't waitin' for you
I'll lay my head for the day
Cause I'm so aloneSo I'll take what I can't have
But I wasn't born yesterday[Chorus]
'Cause I make believe
That you're inside of my head
I make believe
That you're the only one
(I tried to see)
(What keeps me hanging on)I remember what you used to say
When we were alone
I held down my hand, you walked away
Are you searching for someoneSo I'll take what I can't have
But I wasn't born yesterdayI stare inside my head
I stare inside my head
I stare inside my head
Inside my head[Chorus]
