Willin'

Coffee Creek

I been warped by the rain, driven by the snow
I'm drunk and dirty, don't you know
But I'm still willin'
Out on the road late last night
I'd see my pretty Alice in every headlight
Alice, Dallas Alice
And I've been from Tucson to Tucumcari
Tehachapi to Tonopah
Driven every kind of rig that's ever been made
Driven the back roads so I wouldn't get weighed
And if you give me weed, whites and wine
And you show me a sign
And I'll be willin' to be movin'
And I've been kicked by the wind, robbed by the sleet
Had my head stove in but I'm still on my feet
And I'm still willin'
And I smuggled some smokes and folks from Mexico
Baked by the sun every time I go to Mexico
Ah, but I'm still
And I've been from Tucson to Tucumcari
Tehachapi to Tonopah
Driven every kind of rig that's ever been made
Driven the back roads so I wouldn't get weighed
And if you give me weed, whites and wine
And you show me a sign
And I'll be willin' to be movin'
