## Swing Cats

Land of anger, I didn't ask to be born  
Sadness, sorrow everything so alone  
Laboratory sickness infects humanity  
No hope for cure, die by technology  
A world full of shit coming down  
Tribal violence everywhere  
Live in the age of terrorism  
We spit in your other face  
War of races, world without intelligence  
A place consumed by time end of it all  
We're born with pain  
No more we're dead embryonic cells  
Corrosion inside we feel  
Condemned future we see  
Emptiness calls we hear  
Final premonition the truth  
Land of anger, I didn't ask to be born  
Sadness, sorrow everything so alone  
Laboratory sickness infects humanity  
No hope for cure, die by technology  
We're born with pain  
Suffer remains  
We're born with pain  
Suffer remains  
We're dead
