

Best I'll Ever Be

Sister Hazel

Whoah, I miss you.
I miss being overwhelmed by you
and I need rescue.
I think I'm fading away.
And I keep thinking
That you'll wake me with a whisper in my ear.
And I keep hoping
That you'll sneak in my room.

So I wait and I wait
and I run old scenes through my tired head
Of the days that we laid by the school and said forever.
Was that the best I'll ever be?

Whoah, I miss you.
I miss talking all night long with you, yeah
and I need this too, to find a way to your home.
Whoa, Well, my love, can you hear me?
Have I been hoping loud enough, wishing hard enough?
Can you see me
When I'm asleep all alone, alone?

So I wait and I wait
and I run myself in the same old circles.
I sit and I stare, and I run old scenes through my weary head
Of the days that we laid by the school and said forever.
Was that the best I'll ever be?

Can't keep my hands from shaking
Stumbling through the wreckage again.
But you're gone.

So I wait and I wait
and I run myself in the same old circles.
I sit and I stare, and I run old scenes through my tired head
Of the days that we laid on our backs and said forever
Was that the best I'll ever be?
Was that the best I'll ever be?
Whoah, was that the best I'll ever be?
