

Hit the Lights

Sunfly Karaoke

Hit the lights

Hit the lights

Hit the lights

Hit the lights

Baby, hold it and let me holla at you, baby for a moment

And if you with it, I'm with it, we'll keep it rollin'

And we'll be dancing and drinking until the morning

Until the morning

Sparks going off

It's so hot there's girls just taking all their clothes off

So take a picture of this moment with your iPhone

'Cause I don't wanna forget tonight, night, night

Put your lighters in the air

Let 'em burn into the night

And let everybody know

That you're with it and you're ready to go

So hit the lights, oh, oh, oh

Hit the lights, oh, oh, oh

Hit the lights, oh, oh, oh

Tonight, tonight

So hit the lights, oh, oh, oh

Hit the lights, oh, oh, oh

Hit the lights, oh, oh, oh

Hit the lights, hit the lights, hit the lights

Come out the dark and let the DJ lead the way, way, way

'Cause it's hot in the club now do don't let it stop now

So hit the lights, hit the lights, hit the lights

And everybody say oh, oh, oh, oh, oh

YMCMB, bitches call me Tunechi Li

All them bitches think they fly

And all 'em bitches flew to me

Hit the lights so you could see

My drink is strong and my hooka sweet

Understand the time is now

But time is up, the future's bleak

It's me, it's stupid cupid

Love me, leave me in the morning

If you like, your friend can join in

The wildest flower in the garden

Coolest nigga in the party
Shades on, dreads long
Blood gang, red zone
And I'm with Jay Sean
Put ya lighters in the air
Let 'em burn into the sky
And let everybody know
That you're with it and you're ready to go
So hit the lights, oh, oh, oh
Hit the lights, oh, oh, oh
Hit the lights, oh, oh, oh
Tonight, tonight
So hit the lights, oh, oh, oh
Hit the lights, oh, oh, oh
Hit the lights, oh, oh, oh
Hit the lights, hit the lights, hit the lights
Come out the dark and let the DJ lead the way, way, way
'Cause it's hot in the club now do don't let it stop now
So hit the lights, hit the lights, hit the lights
And everybody say
Turn 'em low, turn 'em high
Light it up to the sky
Turn 'em low, turn 'em high
Light it up to the sky
And everybody say oh, oh, oh
Oh, oh, oh
Oh, oh, oh
So hit the lights, oh, oh, oh
Hit the lights, oh, oh, oh
Hit the lights tonight, tonight
So hit the lights, oh, oh, oh
Hit the lights, oh, oh, oh
Hit the lights, oh, oh, oh
Hit the lights, hit the lights, hit the lights
Come out the dark and let the DJ lead the way, way, way
'Cause it's hot in the club now do don't let it stop now
So hit the lights, hit the lights, hit the lights
Hit the lights
