

Just One Last Time (Tapedrive)

David Guetta

This is the end station
But I cant move away from you
This is the edge of patience
But you won't prove yourself to me
Still you drain my soul andEven though it hurts I cant slow down
Walls are closing in and I hit the ground
Whispers of tomorrow echo in my mind
Just one last timeEven though it hurts I cant slow down
Walls are closing in and I hit the ground
Whispers of tomorrow echo in my mind
Just one last timeJust one last time
Just one last time
Just one last timeThere comes a time for us to part,
Then right back to the start.
And I know what Im supposed to do
Can't get myself away from you
Oh you drain my soul andEven though it hurts I cant slow down
Walls are closing in and I hit the ground
Whispers of tomorrow echo in my mind
Just one last timeEven though it hurts I cant slow down
Walls are closing in and I hit the ground
Whispers of tomorrow echo in my mind
Just one last timeJust one last time
Just one last time
Just one last timeThis is the end station
But I cant move away from you
