

Hello, Young Lovers (Live At the Sands)

[Nancy Wilson](#)

Hello Young lovers whoever you are
I hope your troubles are few
All my good wishes go with you tonight
I've been in love like you Be brave, young lovers, and follow your star
Be brave and faithful and true
Cling very close to each other tonight
I've been in love like you I know how it feels to have wings on your heels
And to fly down a street in a trance
You fly down a street on a chance that you'll meet
And you meet not really by chance Don't cry young lovers whatever you do
Don't cry because I'm alone
All of my mem'ries happy tonight
I've had a love of my own
I've had a love of my own like yours
I've had a love of my own
