Mermaid

Lily Holbrook

Yesterday, i believed in fairytales
With all my heart,
And yesterday,
I followed secret trails...
Inside my heart

And i canâ€™t let this fall apart,
I will not slip into their world,
Cause in my silver sea,
Sheâ€™s dancing with the mermaids,
And in my star-lit sky,
Sheâ€™s flying...

And in my garden green,
Sheâ€™s flirting with the fairies
Over the kingdom wall, sheâ€™s climbing...

Higher... than theyâ€™ll ever know
Higher... than theyâ€™ll ever know

Today iâ€™m supposed to try to live beneath the clouds
But i canâ€™t find my way down...
Cause castles with wings, and dragons beyond dreams,
Keep my feet from the ground

And i canâ€™t let this tear me down,
I will not slip into their world,
Cause in my silver sea,
Sheâ€™s dancing with the mermaids,
And in my star-lit sky,
Sheâ€™s flying

And in my garden green,
Sheâ€™s flirting with the fairies
Over the kingdom wall, sheâ€™s climbing...

Higher... than theyâ€™ll ever know
Higher... than theyâ€™ll ever know
Higher... than theyâ€™ll ever know
Higher...
