Mountain Mover

Talley Trio

Chorus
My God is a mountain mover
My God?s gonna make a way
Can?t count all the time He?s proven
We can trust him just have faith
Take a hopeless situation
Watch Him turn it all around
Nothing is impossible
I can?t hold back I?ve gotta shout
My God, My God My God
Is a mountain mover

Verse 1
Got a problem in my pathway
I feel I?m frozen here
Doubts are circling high above me
But in the shadow of my fear
The Fire of faith is stirring
Growing inside of me
Reminding me of something
I already believe

Bridge
He?s a God of mighty miracles
When the days are dark
I will keep on trusting Him
I will not lose heart
