

# Girl Callin'

## Chocolate Milk

Girl

Ooh, sugar, sugar You are the one, you are the one, you

Baby

You are the one, you are the one

You are the one

You are the one, you are the one, you

Baby

You are the one, you are the one, you

Are the one You are the one, you are the one, you

Baby

You are the one, you are the one Girl callin', I'm callin'

Girl callin', callin' on you, baby

Girl callin', I'm callin'

Girl callin', callin' on you, baby I lay awake all night just thinking about the way

I can just sit and watch you boogie all day

All in the afternoon, in the nighttime, too

In the morning, yeah Bringing it down

Bringing it down

Where we can see it clearly

Bringing it down I don't know, I don't know

I don't know, I don't know

What I do without you, babe

Bringing it down

Where we can see it clearly Ooh, baby

Ooh, sugar, sugar

I call to you

From top of the height of my emotion

Yeah, yeah You are the one, you are the one, you

Baby

You are the one, you are the one

I wouldn't change it

Baby, I wouldn't change it for a million dollars

I wouldn't change it

Baby, if I had my way

I would stay with you forever, yeah Yeah, yeah, yeah

Yeah, yeah, yeah, yeah

Yeah, yeah, yeah Ooh, baby

Ooh, sugar, sugar

I call to you

From the bottom of my heart and the top  
Of my emotion, yeah, yeah, yeah Girl callin'  
Callin', callin', callin', callin', baby  
Girl callin'  
Wonderful one, wonderful one  
Girl callin', I'm callin'  
Girl callin', callin' on you, baby
