

It Ain't Over 'Til It's Over

The Elwins

If I had to make up a story and make it beautiful
I'd talk about you, the things you do
make it colourful
But I'm wondering what has gotten in
and has pushed you to pull away
is there something dear, that I'm missing here?
Show a sign It ain't over til it's over
It ain't over til it's over, til it's over
It ain't over til it's over, til you know That you wake up the sun
More than anyone
Yeah you wake up the sun
You should know
That you wake up the sun
And I'm going everywhere at once
But I ain't coming undone The birds that fly over my head aren't making a sound
But they'd sing and flutter for me when you were around
It's a funny thing how a broken wing
can keep you on the ground
Is it hard to stand with an empty hand?
I don't know It ain't over til it's over
It ain't over til it's over, til it's over
It ain't over til it's over, til you know That you wake up the sun
More than anyone
Yeah you wake up the sun
You should know
That you wake up the sun
And I'm going everywhere at once
But I ain't coming undone It ain't over til it's over
It ain't over til it's over, til it's over
It ain't over til it's over, til it's over
It ain't over til it's over, til it's over
It ain't over til it's over, til you know That you wake up the sun
More than anyone
Yeah you wake up the sun
You should know
That you wake up the sun
And I'm going everywhere at once
But I ain't coming undone Yeah you wake up the sun
Yeah you wake up the sun It ain't over til it's over

It ain't over til it's over
