

Get Right Get Ready

Kula Shaker

Get Right Get Ready
If you wanna make a stand,
if you wanna change what you see
Just go raise your hand
Get Right Get Ready
If you want to stay alive
Make some cheese,
keep some bees put them in a Hive
Get Right Get Ready
Got to grow some beans
Make your bread, feed your head-
you know what I mean
Get Right Get Ready
If you wanna make a stand
if you wanna change what you see
Just go raise your hand
Are you ready to stand?
Stick it to the Man
Yeah! Right! Get Ready!
Are you ready to stand?
Get Right Get Ready
Read the label first
You decide you buy Hit them where it hurts
Get Right Get Ready
It's easy you know how
Ain't no thing, you can sing, while you milk the cow
Get Right Get Ready
Stand up the Force
Buy a boat, build a moat, learn to ride a horse
Get Right Get Ready
If you wanna make a stand
if you wanna change what you see
Just go raise your hand
Are you ready to stand?
Stick it to the Man
Yeah! Right! Get Ready!
Are you ready to stand?
We don't trust in guns, 'cos they ain't no fun
And the Earth is flat, and Black is White And White is Black...

Rock n Roll Rock steady, its begun already

Baby, Rome is burning. We're an Ocean

The tide is turning.
