

Husband

Shirley Murdock

You told me things and I believed them all
you disappeared at times, but that didn't matter at all
mmmm, Those lonely nights, I waited for your call

I didn't know it then, that you were someone's husband My desire for you is strong, but I won't do wrong

You're that lady's husband

My decency prevails, yes it does and it won't let me keep you, no

So I'm letting you go, letting you go

So I'm letting you go, letting you go You satisfied a real desire in me without apologies

I still have those needs

Well I'm a lady with class and I know my desire will pass

This cannot occur because you are her husband My desire for you is strong and I won't do wrong

'Cause I know in my heart that you are her

I know, I know you are her husband

That's why I got to let you go

Desire says I should, but I say no, I say no I might not be all that I want to be

I've been a fool before, and I do things I deplored

But after all, if shirley's gonna be a fool

A fool for any man, that man has got to be my husband My desire for you is strong, and I won't do wrong

So I'm letting you go, letting you go

So I'm letting you go, letting you go Because you are her husband My desire for you is strong and I won't do wrong

'Cause I know in my heart that you are her husband

I know, I know you are her husband

That's why I got to let you go

Desire says I should, but I say no My body says I should, but I say no

Mister you say I should, but I say no

No, no, no, no, no, no

Desire says I should, I say no
