Wear Red

[She Keeps Bees](#)

I'm gonna wear red
I'm gonna wear red
I'm gonna wear red till I
Pass on this side
Run me tired
Yeah run down
But put my mind at rest
Tell me where you go out
You got the nerve, yeah
Go ahead and tell it to meDon't you worry baby
Don't you worry bout me
Just a little crazy
Worried for me
Worried for me, yeahYou're gonna see green
You're gonna see green
You're gonna see green when I
Got my summer walk on by
You got the nerve, yeah
Go ahead and prove it to meI got my lights on
I got my lights on
I'll turn my lights on if you're comin by
You know what I mean, yeah
