

# Stupid

## Panica

Night lift up the shades  
Let in the brilliant light in morning  
    Steady me now  
For I am weak and starving for mercy  
    Sleep has left me alone  
To carry the weight of unravelling where we went wrong  
    It's all I can do to hang on  
    To keep me from falling  
    Into old familiar shoes  
    How stupid could I be?  
    A simpleton could see  
    That you're no good for me  
    But you're the only one I see  
    Love has made me a fool  
Set me on fire and watched as I floundered  
    Unable to speak  
Except to cry out and wait for your answer  
    But you come around in your time  
Speaking of fabulous places, create an oasis  
    That dries up as soon as you're gone

You leave me here burning  
In this desert without you  
    How stupid could I be?  
    A simpleton could see  
    That you're no good for me  
    But you're the only one I see  
    Everything changes  
    Everything falls apart  
I can't stand to feel myself losing control  
    In the deep of my weakness I know  
    How stupid could I be?  
    A simpleton could see  
    That you're no good for me  
    But you're the only one I see  
    How stupid could I be?  
    A simpleton could see  
    That you're no good for me  
    But you're the only one I see
