

# I Always Get What I Want

Avril Lavigne

Every now and then we all want somethin'  
Even if there's no way of gettin' it  
If I stomp my feet quick that maybe be the way around it  
Could I get myself around it Get me what I want  
Everything I don't got  
So give me what I want  
'Cause I'm a big shot Don't wanna always have to be so nice  
Don't wanna hear you say, "Well that's just life"  
I'll drown you out when I open my mouth  
And make my way around it, I always make my way around it Get me what I want  
Everything I don't got  
Give me what I want  
'Cause I'm a big shot So give me what I want  
I always get what I want  
You don't want to see me when  
I don't get what I want  
It's not what you want I'm not about to take no for an answer; no  
If I tell, you I can't I'm still gonna go  
I did it all by myself and I found  
I found my way around it Get me what I want  
Everything I don't got  
Give me what I want  
'Cause I'm a big shot So give me what I want  
I always get what I want  
You don't want to see me when  
I don't get what I want  
It's not what you want It's not too lovely  
It could start to get ugly  
It really bugs me, if  
I don't get my way Get me what I want  
Everything I don't got  
So give me what I want  
'Cause I'm a big shot So give me what I want  
I always get what I want  
You don't want to see me when  
I don't get what I want  
It's not what you want  
If I don't get what I want  
It's not what you want
