Biohazard

Hate, fuck, fight, kill
Hate, fuck, fight, kill
Hate, fuck, fight, kill
Hate, fuck, fight, kill We teach our children how to act in this world
By living what they see on TV
Murder, rape, war, disease
The rules of society Hate, fuck, fight, kill
Hate, fuck, fight, kill A race of murderers with no remorse
And no respect for humanity
We wonder why our children kill hate and lie
With no responsibility, oh Hate, fuck, fight, kill
Hate, fuck, fight, kill
Kill, kill, kill, kill
Hate, fuck, fight, kill
Fuck it up you Oh, come on
Take it back, yo you better listen
I'm on a mission, I'll tell you what you're missin'
It's time to start living in reality
So fuck the world before the world fucks me Oh, come on
Take it back, yo you better listen
I'm on a mission, I'll tell you what you're missin'
It's time to start living in reality
So fuck the world before the world fucks me
(Fuck the world for fuckin' me) We live so many days of our selfish live
Making money by whatever means
For sex, drugs, our sadistic needs
We live and die so selfishly, oh Hate, fuck, fight, kill
Hate, fuck, fight, kill
(Hate)
Hate, fuck, fight, kill
Hate, fuck, fight, kill
(Kill)
Hate, fuck, fight, kill
(Kill)
Hate, fuck, fight, kill
(Kill)
Hate, fuck, fight, kill
(Kill)

Hate, fuck, fight, kill
