Laurel

Clockhammer

Looking for light
A golden light
Red red hair
And almond eyesSearching for love
A wallet's hot
The price is right
It's money for loveLooking for light
A golden light
With your red red hair
And almond eyesLaurel you came hereLooking for light
A golden light
With your red red hair
Your almond eyesStrange how he's cold
Behind the smile
An angry mind
Don't wait for tonightLying for lies
A golden lie
Your red red hair
Your almond eyesLaurel you came here
Laurel came hereFear is a fog
Rolling in and aroundLaurel whispers from inside
Laurel running out of time
