

# Apples & Bananas

Asher Roth

I like to eat, eat, eat, eat, eat, eat

Apples and bananas

I like to o, o, o, o, o, o

Opples and banonos

I like to eat, eat, eat, eat, eat, eat

Apples and bananas

I like to o, o, o, o, o, o

Opples and banonos

Holy smokes, artichoke, art of Mozart

Sharp and no pop tart part hollow notes

Heat of cold, ' yo, that broth kicking, yo

Day like flow, daylight come, she go home, we got stoned

She got clo-no so I got dough

This is corner liquor store, flip my 'bitchin', moan

Switching pictures, bitches low

Sit your slow ass down and bow wow

I write rhymes with pants down all around town

So, so pow there's no doubt, I know now

Grow your own scout bro, right about now

I like to eat, eat, eat, eat, eat, eat

Apples and bananas

I like to o, o, o, o, o, o

Opples and banonos

I like to eat, eat, eat, eat, eat, eat

Apples and bananas

I like to o, o, o, o, o, o

Opples and banonos

Papa chakra, pop lock and drop it

Block, block, get off, I'm rocking jackals, awesome

Talk to Jeremy Clarkson, clock stops the bus and pause

Who died and left Charles in charge?

Let me borrow your car and bring it back tomorrow and scared

I'm the gardener, bark, startle the dog, caught me off guard

Darn it, Mercutio, doogie chain, Gucci flow

Bootie blows fish but I really love sushi, though

Never on the first day, anyway

Used to bang groupie hoes, now I'm in a better place  
Better late than never, better set her straight  
Meditate, this center, any veteran needs a better maid  
Let her stay, settle for the lesser pay  
Like the sweater weather, but I still believe in yesterday  
What's today? What's the space? Must've missed the bus, behave  
Fuck it, what's the rush? We gonna walk it off the other way

I like to eat, eat, eat, eat, eat, eat  
Apples and bananas  
I like to o, o, o, o, o, o  
Opples and banonos  
I like to eat, eat, eat, eat, eat, eat  
Apples and bananas  
I like to o, o, o, o, o, o  
Opples and banonos
