Asshole

Mike Sherm

I'm a mother fucking asshole bitch I'm the shit
If I get her to the crib I gotta hit
Made her give it up quick I robbed the bitch
Ion even call it rap I'm talking shit
Me and G-Bo Lean hit but than socked the bitch
It was a one hitter quitter we dropped the bitch
Designer fit with them kicks I'm confident
I'm just a saucy ass nigga no condiment
All I wanna do its eat i need a meal
You can tell that I'm shining when you see the grill
If I bust in yo gut bitch eat this pill
This nigga belt hella fake how the fuck he real
I only fuck from the back I'm a real dog
Fruity niggas talking shit get peeled off
Ain't gotta get paid for this fade I'll still off
Cut yo head from yo troat and get it mailed off
All I do is talk shit I'm an asshole
If I give her good dick she a bad hoe
Me and yo bitch got history I've been had those
First I put them to the test than I pass hoes
Small circle but I keep a big bankroll
We da ones giving L's we don't take those
I be running up a check ion chase hoes
Handy man with them strips bitch i make those
500 on a belt ion even wear
Let her fuck the whole team ion even care
I ain't stingy with the bitch nigga imma share
Wifing shit that we hit nigga you a square
Lil bitch on my dick imma hit the hoe
If my bro hit ion even wanna hit no moe
Dope dick to yo bitch might give her a dose
When she be phenin for the dick she be doing the most
I ain't even worried bout that chain get yo bitch tucked
All that speaking on my name get yo bitch fucked
You can't say you fucked my bitch nigga which one
Dumb nigga I can't even pick one
I'm married to the money I don't love bitches
I do it for the birds cause I love chicken
I only give her dick we ain't tongue kissing

I be smoking so much dope think my lungs missing
Rest in peace Mac Dre fuck the radio
I need 15 hunnid for a cameo
Bitch I do it for my bills like buffalo
If my bitch go broke imma let her go
