Hollywood Undead

Hollywood we never goin' down
Hollywood we never goin' down
Hollywood we never goin' downAnd all the kids in the hood
Come on wave and shake your hands
Hollywood we never goin' down
And when you're drunk shake that ass
Like you know how to dance
Hollywood we never goin' downStart getting loud I wanna party now
If you hate on Undead that's a party foul
I only drink Mickey's, I can't afford the cans
I drink so much they call me Charlie 40 HandsIf the keg is tapped, then you're getting capped
Take your girl to the sack and I'll take a nap
Ladies drink 'em fast so I could have a blast
You got your beer gog's on and I'm getting ass
Like, oh my god, is that Charlie Scene'Ladies show me your treats like its Halloween
You got a fake I.D. and your seventeen
I'm a complete catastrophe
Buzzing around you like a bumble beeSo let's take some shots
Do a beer run and flip off a cop
Girls give me props and there on my jock
Paris Hilton said, that's hot
When she saw my cock! That's hot!And all the kids in the hood
Come on wave and shake your hands
Hollywood we never goin' down
And when you're drunk shake that ass
Like you know how to dance
Hollywood we never goin' downI'm About to serve it up for all you party goers
Scene kids, meat heads, alchi's, stoners
Dancing around like a bunch of fagots
Funnier than fuck, you can ask Bob SaggotI never claimed that I knew how to dance
But I'll get drunk, get high, pull down my pants
So fuck five bucks just fill up my cup
Don't kiss me bitch, you just threw upNow I'm drunk as fuck about to pass out
Destination your mothers couch
Dude is it true that you screwed my mom'
Fuck yeah bro that pussy was bomb!So I'm hopping, jumping, sipping, and skipping
It's nights like these that we all love living
So take out your hands and throw the H.U. up
Now wave it around like you don't give a fuck

Check pleaseAnd all the kids in the hood
Come on wave and shake your hands
Hollywood we never goin' down
And when you're drunk shake that ass
Like you know how to dance
