Unguentum Sabbati

Therion

A sudden kiss of the mother
Habondia, when the bell is heard
Appears to me as a vision
A journey to hill of BrakullaThe chrism of Hekate
The sacred oil
Io
Unguentum SabbatiThe oil of Pan
Io
Pan NoctiferI see a torch I will follow
To meet the lord of the Venusberg
I bring a gift to the master
And to the hag of the
Garden Hedge, HagzissaCome
Black man of the Sabbath
O great god Pan
Io
Unguentum SabbatiThe oil of Pan
Come
Pan NoctiferA silent sip from the cauldron
I disappear in the astral world
A dance with gods in Blakulla
The ecstasy of the dreaming cultChrism of Hekate
The sacred oil
Io
Unguentum SabbatiThe oil of Pan
Come
Lord of the VenusbergO great god Pan
Bring
Chrism of Hekate
