# I Am a Fox

## OH!hello

Iâ€™m a fox
And youâ€™re a white tiger
I am lost
And youâ€™re following right behind me
Weâ€™re hunting cows

You lick my mane
And you swallow my pride
Iâ€™ve stayed the same
With you always at my side
â€˜Cuz weâ€™re always looking
Weâ€™re always moving

We are the lines
Between the shadows
Of all the times
That love beats sorrow
Weâ€™re always around
We are the sound

Weâ€™re licking sap
From the sweet of earthâ€™s branches
Weâ€™re finding land
Thatâ€™s never been found before
Theyâ€™ll always be more
(more, always be more, more, always be more)

Iâ€™m your fox
And youâ€™re my white tiger
Yeah, Iâ€™m so lost
And youâ€™re following right beside me

And Iâ€™m your fox
(Iâ€™m your fox)
Iâ€™m your fox
(Iâ€™m your fox, Iâ€™m yours)
(More, more, moreâ€¦)

Your eyes are the sea
And theyâ€™re looking into me

Your eyes are the sea
And theyâ€™re looking into me
