

# Wonderful (The Way I Feel)

## My Morning Jacket

It matters to me  
Took a long time to get here  
If it would have been easy  
I would not have cared Like a tropical forest  
Like a cop on the beat  
When all is order  
You get lost in the heat I feel so wonderful, wonderful, wonderful the way I feel  
I feel so wonderful, wonderful, wonderful the way I feel Doesn't matter to me  
I could take it or leave it  
I can learn from way back when  
And still live right now With the sun on my shoulder  
And the wind in my back  
I will never grow older  
At least not in my mind I feel so wonderful, wonderful, wonderful the way I feel  
I feel so wonderful, wonderful, wonderful the way I feel  
So wonderful, wonderful the way I feel  
I feel so wonderful, wonderful, wonderful the way I feel I'm going where there ain't no fear  
I'm going where the spirit is near  
I'm going where the living is easy  
And the people are kind  
A new state of mind I'm going where there ain't no police  
I'm going where there ain't no disease  
I'm going where there ain't no need  
To escape from what is  
Only spirits at ease
