Life

Robin Gibb

You saw me this morning
Wasn't that a funny thingBecause you once stood by my side
And kissed the tears I cried
But suddenly you changed
And ran to someone strange because that'sLife
Life
You must be my wife
That's life
I watched you this evening
Walking hand in had with himAnd because I am a man
I'll do the best I can
To get you back with me
The way it used to be because that'sLife
Life
You must be my wife
That's life
That's life
Life
That's life
You must be my wife
Life
You must be my wife
Life
You must be my wife
Life(Fade)
