Open the Clouds

Unspoken

This is the closest that I got to correct lyrics, hope they are helpful and if you find any mistakes, please let me know!

We're looking on
To that glorious day
A brighter morning
When the sky rolls away

I've been ready
Since the day I was saved
We've got a ticket into Heaven
That's already been paid

(Oooh)

Jesus is coming
He's coming, He's coming

Open the clouds
Spirit set me free
Open the clouds
Shine down on me
Open the clouds
See the sun break through
Open the clouds
Shine down on you (2x)
(Shine down, shine down,
shine down on you)

Here in the family
There's always room for more
A welcome from the King
And an open door
Sit at the table
And be satisfied
Then send an invitation
That you gotta reply

(Oooh)

The King is coming
He is coming, He is coming

Open the clouds
Spirit set me free
Open the clouds
Shine down on me
Open the clouds
See the sun break through
Open the clouds
Shine down on you (2x)

People get ready yeah (2x)
People be ready yeah

No one knows when the day will come
All we know is it won't be long

People get ready yeah (2x)

Let's get close to the trumpet sound
Lift your head to the headless now(?)

He's coming (7x)

Open the clouds
Spirit set me free
(come on and open the clouds)
Open the clouds
Shine down on me
(come on and shine it all down)
Open the clouds
See the sun break through
Open the clouds
Shine down on you (2x)
(Let them shine, let them shine, let them shine, let them shine on you)

From the North to the South
To the East to the West
Every knee will bow
And tongue will confess
That Jesus is Lord, Jesus is Lord (2x)
