

Mr. Bass

Descendents

Mr. Bass lies waiting in his kelpy room
Waiting, til comes doom
He comes and then ne goes
He sees Orca and then he knows
I can see Mr. Bass, he's on my wall
I can taste Mr. Bass, he's on my wall
I can smell Mr. Bass tomorrow
We finished the island with a broken motor
They were biting at alarming rate
Mr. Bass, he was irate
(Chorus)
Mr. Bass takes a beating
Billy Boy must keep eating
Old Pat he must be burning
Look's like his stomach's turning
He feeds on the centipedes
He lies behind in a greenish hue
He'll eat whatever, he'll even eat you
Mr. Bass, he knows my hook
'Cause I've been reading them bassin' bokks
(Chorus)
