

Sundown (feat. Wizkid)

Zara Larsson

Get on the bounce
All night long
Get on the bounce, oh oh
Get on the bounce Don't check the time, time, time, time
Should be me that you're watching
What's on your mind, mind, mind, mind
Say you can't keep me off it
Lips might lie, lie, lie, lie
But my heart beating honest
But my heart beating honest So can we love now
'Cause I don't, I don't wanna wait until the sundown
So can we love now
'Cause I don't, I don't wanna wait until the sundown Don't wanna wait 'til sundown
Don't wanna wait 'til sundown
Don't wanna wait 'til sundown, no
Don't wanna wait 'til sundown
Don't wanna wait 'til sundown
Don't wanna wait 'til sundown, no Get on the bounce, uh huh
All night long, uh huh huh
Get on the bounce, oh oh
Get on the bounce, ah Keep holding on, on, on, on
'Cause I'm falling for you now (Sing for me gyal!)
Got me so gone, gone, gone, gone
There ain't no turnin' back now
Can't be wrong, wrong, wrong, wrong
The way I'm feelin' right now
The way I'm feelin' right now, yeah I tell you 911 got ring the alarm
When you need me, girl, call me phone
I won't leave you on your own, babe
Say when you touch me gyal, say me no wan' go
No other man, say me no wan' know
Baby girl, I feel it in my head So can we love now
'Cause I don't, I don't wanna wait until the sundown
So can we love now
'Cause I don't, I don't wanna wait until the sundown Don't wanna wait 'til sundown
Don't wanna wait 'til sundown
Don't wanna wait 'til sundown, no
Don't wanna wait 'til sundown
Don't wanna wait 'til sundown

Don't wanna wait 'til sundown, noGet on the bounce, ya
Get on the bounce, get on the bounce
Oh, get on the bounce, my baby gyal
Come get on the bounce, ya
Come get on the bounce, gyalAnd I want it in the morning
In the morning
In the middle of the day
Oh baby, 'cause midnight
Yeah, midnight
Seems too far awayI want it in the morning
In the morning
In the middle of the day
Oh baby, 'cause midnight
Yeah, midnight
Seems too far awaySo can we love now
'Cause I don't, I don't wanna wait until the sundown
So can we love now
'Cause I don't, I don't wanna wait until the sundown
