

Believe

Mapei

'Cause now you're rockin' with the best, come on!
'Cause now you're rockin' with the best, come on! You are so cool and sweet
And nothing's gonna make you die
Inside what it comes with the pressure
Go where you belong
In my eyes, you are beautiful
Could be, could be an insecure
Nothing in this world is what it seems
In the world so unsure
I believe in you,
Nothing in this world can make my feet both to the ground
I believe in you
Every tear's a waterfall
Every morning's an open door
We gon' make it, I believe in you
Baby, when your back is against the wall
And you got to lost it all,
Don't worry I believe in you, baby! 'Cause now you're rockin' with the best, come on!
'Cause now you're rockin' with the best, come on! Join me, I don't get to sense about what
People have to say!
You should be concern with some loving
If you feel the same!
Let's go to a place that is beyond,
We can find a cure!
Nothing in this world is what it seems
In the world so unsure
I believe in you,
Nothing in this world can make my feet both to the ground
I believe in you
Every tear's a waterfall
Every morning's an open door
We gon' make it, I believe in you!
Baby, when your back is against the wall
And you got to lost it all,
Don't worry I believe in you, baby! All of my pain you can have it all,
Believe in something
Hear my call!
Can't you see it's true!
I believe in you!

Every tear's a waterfall
Every morning's an open door
We gon' make it, I believe in you!
Baby, when your back is against the wall
And you got to lost it all,
Don't worry I believe in you, baby! 'Cause now you're rockin' with the best, come on!
And now you're rockin' with the best!
'Cause now you're rockin' with the best, come on! And now you're rockin' with the best!
And now you're rockin' with the best
