

# Trust

## Limp Bizkit

Backstabber!  
Two-faced! Low lives!  
It's time to step up to the plate!  
A one two, a one two, a one two  
What the fuck ya gonna do? You know I see right through you  
When you act like you don't know me  
You lie, you cheat, you steal, you lose  
Wouldn't wanna be in your shoes always Always lookin over your shoulder  
For the ones you stick, you sick little prick  
It looks like your times runnin out  
Creepin up your back  
So what you all about? I'm too fuckin' good  
And fuckin' proud  
I'm gonna show you how  
Bad it hurts to be a clown You're the kind of guy with two faces  
Just another life that's wasted  
Here's a little fact, you do me like that  
End up in the back of my trunk in a sack You'd better keep your hands off  
What's mine or anybody else's  
When you're selfish your wealth is  
All you crave from the cradle to the grave I'm too fuckin' good  
And fuckin' proud  
I'm gonna show you how  
Bad it hurts to be a clown I'm too fuckin' good  
And fuckin' proud  
I'm gonna show you how  
Bad it hurts to be a clown I got a little bitty question  
Just what the fuck are you thinking?  
You think you're all that and then some  
Well you're not I think you're dum ditty dumb, I take it back  
Those thoughts are kinda whack  
Don't really need that kind of karma on the track  
Maybe Freddy Krueger will step into your dream and  
Burn you like a demon and leave your ass screamin To be exact I wanted to react, mission of attack  
Your head was gettin cracked  
But you're a human being that's lucky to be breathin  
And that's that, that's that I don't trust nobody  
'Cause nobody trust me  
Never gonna trust anybody

And that's the way its gonna be I don't trust nobody  
'Cause nobody trust me  
I'm never gonna trust anybody  
And that's the way its gonna be I don't trust nobody  
'Cause nobody trust me  
Never gonna trust anybody  
And that's the way its gonna be I don't trust nobody  
'Cause nobody trust me  
Never gonna trust anybody  
And that's the way its gonna be I'm too fuckin' good  
And fuckin' proud  
I'm gonna show you how  
Bad it hurts to be a clown I'm too fuckin' good  
And fuckin' proud  
I'm gonna show you how  
Bad it hurts to be a clown
