

# Smile (Dj Papsta Hiphop Mix)

Lily Allen

When you first left me  
I was wanting more  
But you were fucking that girl next door  
What'd you do that for? (what'd you do that for?) When you first left me  
I didn't know what to say  
I'd never been on my own that way  
Just sat by myself all day I was so lost back then  
But with a little help from my friends  
I found the light in the tunnel at the end Now you're calling me up on the phone  
So you can have a little whine and a moan  
And it's only because you're feeling alone At first when I see you cry  
It makes me smile  
Yeah, it makes me smile  
At worst I feel bad for awhile  
But then I just smile  
I go ahead and smile Whenever you see me  
You say that you want me back  
And I tell you it don't mean jack  
No, it don't mean jack I couldn't stop laughing  
No, I just couldn't help myself  
See, you messed up my mental health  
I was quite unwell I was so lost back then  
But with a little help from my friends  
I found the light in the tunnel at the end Now you're calling me up on the phone  
So you can have a little whine and a moan  
It's only because you're feeling alone At first when I see you cry  
Yeah, it makes me smile  
Yeah, it makes me smile  
At worst I feel bad for awhile  
But then I just smile  
I go ahead and smile La-la-la, la-la-la, la-la-la, la-la-la  
La-la-la, la-la-la, la-la-la, la-la-la  
La-la-la, la-la-la, la-la-la, la-la-la At first when I see you cry  
It makes me smile  
Yeah, it makes me smile  
At worst I feel bad for awhile  
But then I just smile  
I go ahead and smile At first when I see you cry  
It makes me smile

Yeah, it makes me smile  
At worst I feel bad for awhile  
But then I just smile  
I go ahead and smile
