Cripples Crown

The Coral

Unopened door on the 13th floor
Conspiracy in the corridorsI'll take you down
Down to cripples crownWhat should you say? What can you do?
Satellites are watching youI'll take you down
Down to cripples crown
I'll take you down
Down to cripples crownAt this dark hour, who'll be there?Open the door if you dare
Venus fly trap on the stairsI'll take you down
Down to cripples crownThere'll be no time, there'll be no tears
The elevator disappearsI'll take you down
Down to cripples crown
I'll take you down
Down to cripples crownCripples crown
Cripples crown
Cripples crown
Cripples crown
