Cripples Crown

The Coral

Unopened door on the 13th floor Conspiracy in the corridorsI'll take you down Down to cripples crownWhat should you say? What can you do? Satellites are watching youI'll take you down Down to cripples crown I'll take you down Down to cripples crownAt this dark hour, who'll be there? Open the door if you dare Venus fly trap on the stairsI'll take you down Down to cripples crownThere'll be no time, there'll be no tears The elevator disappears I'll take you down Down to cripples crown I'll take you down Down to cripples crownCripples crown Cripples crown Cripples crown Cripples crown
