

# Devil With The Green Eyes

Matthew Sweet

I can understand you're living in a prison  
I know you can only see me as a vision  
I might fade away with the coming of a new dawn And your heart is breaking.  
What are you gonna do now  
That you're tired of faking it?  
Well, it's hard to take it  
When you know what happens each time The devil with the green eyes  
Said you were never meant to be mine  
'Cause I came up from a dark world  
And every love I've ever know is dead If you come close enough to see I am inhuman  
I will tell you why you're feeling so uncertain  
Every word I say has a way of turning evil in you  
And your heart is breaking. What are you gonna do now  
That you're tired of faking it?  
Well, it's hard to take it  
When you know what happens each time The devil with the green eyes  
Said you were never meant to be mine  
'Cause I came up from a dark world  
And every love I've ever know is dead And your heart is breaking  
What are you gonna do now  
That you're tired of faking it?  
Well, it's hard to take it  
When you know what happens each time The devil with the green eyes  
Said you were never meant to be mine  
'Cause I came up from a dark world  
And every love I've ever known  
Every love I've ever known  
Every love I've ever know is dead
