

# You're Nobody 'Til Somebody Loves You

## Stardust

You're nobody 'til somebody loves you  
You're nobody 'til somebody cares  
You may be a king and you may possess  
The world and all its gold  
But gold won't bring you happiness  
When you're growin' old  
The world is still the same, you'll never change it  
Just as long as the stars shine above  
Well, you're nobody 'til somebody loves you  
So find yourself somebody to love  
The world is still the same, you'll never change it  
Just as long as the stars shine above  
You're nobody 'til somebody loves you  
So find yourself somebody, find yourself somebody  
Find yourself somebody to love
