Feeding the Fire

Turning Point

Inch by inch it's rising
A flame you can't control
You say you're trying to prove them wrong
But you're just deepening the hole
The attention they strive for
You supply, give them publicity
While their victims die
Your attention is feeding the fire
The public's eye, racist desire
Hate on TV, result: stupidity
Yes some ignore, but others agree
That's what's feeding the fire
