

# Wanted Man

## Nick Cave & The Bad Seeds

Head down on a pillow of concrete  
I won't rest in peace either way  
And I won't be forgiven and I will never give in  
I'll give you something if you wanna believe  
Won't ever belong  
Just wanna be free  
I'm a wanted man  
Got blood on my hands  
You keep tellin' me to back down, won't do it  
Livin' on the wrong side of a bullet  
I'm a wanted man  
Never stood a chance  
Renegade from the day that I knew it  
Livin' on the wrong side of a bullet  
Laid down in a garden of envy  
Time is standin' still every day  
And I won't be forgiven and I will never give in  
I'll save you something but I can not be saved  
Won't ever belong  
Just wanna be free  
I'm a wanted man  
Got blood on my hands  
You keep tellin' me to back down, won't do it  
Livin' on the wrong side of a bullet  
I'm a wanted man  
Never stood a chance  
Renegade from the day that I knew it  
Livin' on the wrong side of a bullet  
And if I get out alive  
I won't be on my knees  
Yeah, yeah  
And if I get out alive  
I'm a wanted man  
Got blood on my hands  
You keep tellin' me to back down, won't do it  
Livin' on the wrong side of a bullet  
I'm a wanted man  
Never stood a chance  
Renegade from the day that I knew it

Livin' on the wrong side of a bullet
