

# Catch Me

## Supreme Beings Of Leisure

They tell me, I'm silly  
Just searching for pearls  
Don't they see  
Life is for the free  
Yes, I'll take my chances on simple romances  
High-wire dances  
I'm diving deep  
And destiny is my oyster  
Catch me, I'm falling in your dream  
It is all that it seems  
This is living, my love  
Yes, the dream is alive  
Who's chasing rainbows  
I've got my pot of gold  
Heaven [Incomprehensible]  
Visions supreme  
I'm suspended in stardust  
Floating contagious  
I'm flying high on a bird in the sky  
Love is you and I  
Catch me, I'm falling in your dream  
It is all that it seems  
This is living, my love  
Catch me, I'm falling in your dream  
It is all that it seems  
This is living, my love  
Won't you surrender?  
Catch me, I'm falling in your dream  
It is all that it seems  
This is living, my love  
Catch me, I'm falling  
Catch me, I'm falling in your dream  
Yes, this dream is alive  
Won't you surrender?
