Most People I Know

Billy Thorpe & The Aztecs

Most people I know think that I'm crazy
And I know at times I act a little hazy
But if that's my way and you should know it then
In every way help me to show itOoh, yeah, yeah, yeahFor most of my life I lived a delusion
Yes, material gain has caused me confusion
But slowly in time I learned that my place
Is to tell all that I meet the glory that god isOoh, yeah, yeah
And that's whyMost people I know think that I'm crazy
And I know at times I act a little hazy
But if that's my way and you should know it then
In every way help me to show itOoh, yeah, yeah, yeah
Most people I know think that I'm crazy
And I know at times I act a little hazy
But if that's my way and you should know it then
In every way help me to show it
