Best Friend (Acoustic Version)

Jason Chen

Do you remember when I said I'd always be there?
Ever since we were ten, baby.
When we were out on the playground playing pretend,
I didn't know it back then.Now I realize you were the only one,
It's never too late to show it.
Grow old together,
Have feelings we had before,
Back when we were so innocent.I pray for all your love,
girl our love is so unreal,
I just wanna reach and touch you, squeeze you, somebody pinch me.
(I must be dreamin')
This is something like a movie,
And I don't know how it ends girl,
But I fell in love with my best friend,
(I think I'm in love)
(I think I'm in love)
(I think I'm in love)
(I think I'm in love)
(I think I'm in love)
I fell in love with my best friend,
(I think I'm in love)
(I think I'm in love)
(I think I'm in love)
(I think I'm in love)
(I think I'm in love)
I fell in love with my best friend.Through all the dudes
that came by,
And all the nights that you cried.
Girl, I was there right by your side.
How could I tell you I loved you,
When you were so happy
With some other guy?Now I realize you were the only one,
It's never too late to show it.
Grow old together,
Have feelings we had before,
When we were so innocent.I pray for all your love,
Girl our love is so unreal,
I just wanna reach and touch you, squeeze you, somebody pinch me.
(I must be dreamin')

This is something like a movie,
And I don't know how it ends girl,
but I fell in love with my best friend.I know it sounds crazy,
That you'd be my baby.
Girl you mean that much to me.
And nothing compares when,
We're lighter than air and
We don't wanna come back down.And I don't wanna ruin what we have
Love is so unpredictable.
But it's the risk that I'm taking,
Hoping, praying,
You'd fall in love with your best friend.I pray for all your love,
Girl our love is so unreal,
I just wanna reach and touch you, squeeze you, somebody pinch me.
(I must be dreamin')
This is something like a movie,
And I don't know how it ends girl,
but I fell in love with my best friend.I pray for all your love,
Girl our love is so unreal,
I just wanna reach and touch you, squeeze you, somebody pinch me.
(I must be dreamin')
This is something like a movie,
And I don't know how it ends girl,
but I fell in love with my best friend.I fell in love with my best friend,
I remember when I said I'd always be there,
Ever since we were ten, baby.
