Someone Will Pay

Justin Townes Earle

I donâ€™t get angry, I get even
Tell ya boy he best be believing
All the stars in the sky
Someone will pay for the way you lied

Donâ€™t you think that Iâ€™ll forget
Might take years Iâ€™ll get even yet
On my mamaâ€™s life
Someone will pay for the way you lied

All you kids need a lesson
And Immaâ€™ teach you
Run and call your momma boy
Youâ€™re going to need her oh
Son I got a one-track mind
Donâ€™t care if I search this whole worldwide
I've nothing but time
Someone will pay for the way you lied

Oh whatâ€™s a nice boy like you
Doing in a place like this? You look like you should be in school
Said oh man donâ€™t call police. They set the terms. Take it out in the streets
My last time Iâ€™ll make you pay for the way lied

Iâ€™m gonna make you pay for the way you lied
