Burned

Neil Young

Been burned and with both feet on the ground
I've learned that it's painful comin' down
No use runnin' away
And there's no time left to stayNow I'm finding out that it's so confusin'
No time left and I know I'm losin'Flashed and I think I'm fallin' down
Crashed and my ears can't hear a sound
No use runnin' away
And there's no time left to stayNow I'm finding out that it's so confusin'
No time left and I know I'm losin'Now I'm finding out that it's so confusin'
No time left and I know I'm losin'Burned and with both feet on the ground
I've learned that it's painful comin' down
No use runnin' away
And there's no time left to stayNow I'm finding out that it's so confusin'
No time left and I know I'm losin'
