

Got No Shorty

Sean Kingston

I ain't got no shorty that's why I'm
Checkin' Tracy, eyein' Stacey
Stuck in the club still lookin' for love 'Cause I ain't got no shorty that's why I'm
Calling Barbra, textin' Carla
Stuck in the club still lookin' for love I said I'm lookin' for love, not askin' for much
Just a fine little shorty with a big ol' butt
That's willin' to cuss, she got drink in her cup
And we can take it to the floor and tear it up Say like it or [Incomprehensible] she don't want to see me
So she calls me up when she wants to get busy
I am the man, I am the business
I'm tellin' you all with God as my witness I'm really all yours but I'm tellin' [Incomprehensible]
Tell ya I'm a pimp I got no sexy girls
Got so plenty don't know who to choose I ain't got no shorty, that's why I'm
Checkin' Tracy, eyein' Stacey
Stuck in the club still lookin' for love 'Cause I ain't got no shorty, that's why I'm
Calling Barbra, textin' Carla
Stuck in the club still lookin' for love I'm still lookin' for love in all the wrong places
I'm cookin' up somethin' mean for y'all ladies
Spin it around, I love what y'all shakin'
Love what y'all breakin' down, down, down, down Girl you [Incomprehensible] just hate to admit it
Booty so big that it's so hard to sit
No I'm just tryin' to get all up in it
Now you can tell me that you won't roll wit' it I'm really all yours but I'm tellin' [Incomprehensible]
Tell ya I'm a pimp I got no sexy girls
Got so plenty don't know who to choose I ain't got no shorty that's why I'm
Checkin' Tracy, eyein' Stacey
Stuck in the club still lookin' for love 'Cause I ain't got no shorty that's why I'm
Calling Barbra, textin' Carla
Stuck in the club still lookin' for love Now I've been here since 12 oh 3 tryin' to find some ladies
Where could they be?
They need to clap for me, oh, oh, they need to clap for me
What, what? 1 2 3 Now I be here in the VIP tryin' to find some ladies
Where could they be?
They need to clap for me, oh, oh, they need to clap for me
What, what? 1 2 3 4 I ain't got no shorty that's why I'm
Checkin' Tracy, eyein' Stacey
Stuck in the club still lookin' for love 'Cause I ain't got no shorty that's why I'm
Calling Barbra, textin' Carla
Stuck in the club still lookin' for love
