

Kinks Shirt

[Matt Nathanson](#)

Rent love, run in circles
Sweet fiction silhouette
Meet me at 9th and Irving,
Let's do things we can both regret It's all there in your chipped red fingernails, oh, oh, oh
It's all there in the twist of your pigtales, no, no, no It's the way she walks,
The way she talks,
Can't stop thinking
About the girl in the kinks shirt
Take me home, San Francisco
Can't stop thinking about the girl in the kinks shirt
You and my imagination,
You and my imagination,
You and my imagination,
Can't stop thinking about the girl in the kinks shirt Sidewalk mariachis,
I see you in your party dress
Played out Sid and Nancy,
Bring on the apocalypse Don't need no songs playing on the radio, no, no, no
Get my truth from your thrift store halo, oh, oh, oh It's the way she walks,
The way she talks,
Can't stop thinking
About the girl in the kinks shirt
Take me home, San Francisco
Can't stop thinking about the girl in the kinks shirt
You and my imagination,
You and my imagination,
You and my imagination,
Can't stop thinking about the girl in the kinks shirt Getting what you want can break your heart
Getting what you want can break your heart
Getting what you want is gonna break you,
Is gonna break you, is gonna break your heart It's the way she walks,
The way she talks,
Can't stop thinking
About the girl in the kinks shirt
Take me home, San Francisco
Can't stop thinking about the girl in the kinks shirt
You and my imagination,
You and my imagination,
You and my imagination,
Can't stop thinking about the girl in the kinks shirt (Oh)

Can't stop thinking about the girl in the kinks shirt (Oh)
Can't stop thinking about the girl in the kinks shirt
