

# New Sensation

## Snow Patrol

Live baby live  
Now that the day is over  
I got a new sensation  
In perfect moments  
Impossible to refuse Sleep baby sleep  
Now that the night is over  
And the sun comes like a god  
Into our room  
All perfect light and promises Gotta hold on you  
A new sensation  
A new sensation  
Right now  
Gonna take you over  
A new sensation  
A new sensation Dream baby dream  
Of all that's come and going  
And you will find out  
In the end  
There really is  
There really is no difference Cry baby cry  
When you've got to get it out  
I'll be your shoulder  
You can tell me all  
Don't keep it in ya  
Well that's the reason why I'm here Are you ready for a new sensation  
A new sensation  
Right now  
Gonna take you on a new sensation  
A new sensation Hate baby hate  
When there's nothing left for you  
You're only human  
What can you do  
It'll soon be over  
Don't let your pain take over you Love baby love  
It's written all over your face  
There's nothing better we could do  
Than live forever  
Well that's all we've got to do Are you ready for a new sensation  
A new sensation Are you ready for a new sensation

A new sensation
