

Be Original

El Da Sensei

Here we go (yeah) here we go, go again,
Nothing's changed it's the same game different day,
You're just a boy, just a boy, just another boy,
You're playin' innocent but I ain't buyin' it, No (oh no) Oh No (oh no) Oh Nooo! (oh nooo) You dream of ways
to get inside my head,
You're tryin' hard but you better try harder,
I am not so easily impressed,
You think you're smart but I guarantee I'm smarter,
So don't make a sound if you want me around,
You gotta keep both feet on the ground,
If you really want me I dare you, to be original, So there you go (yeah) there you go, go again,
Told you no, but you just won't go away,
I'm just a girl, just a girl, just another girl,
I may be innocent but I ain't buyin' it No (oh no) Oh No (oh no) Oh Nooo! (oh nooo) You dream of ways to get
inside my head,
You're tryin' hard but you better try harder,
I am not so easily impressed,
You think you're smart but I guarantee I'm smarter,
So don't make a sound if you want me around,
You gotta keep both feet on the ground,
If you really want me I dare you, to be original, I dare you, I dare you, I dare you to get over me
I dare you, I dare you, I dare you to get over me
'Till then dream on, dream on You dream of ways to get inside my head,
I am not so easily impressed, You dream of ways to get inside my head,
You're tryin' hard but you better try harder,
I am not so easily impressed,
You think you're smart but I guarantee I'm smarter,
So don't make a sound if you want me around,
You gotta keep both feet on the ground,
If you really want me I dare you,
If you really want me I dare you,
If you really want me I dare you, to be original.
