God Bless Us All

N*E*R*D

Hold your head lil' bruh
You're not dead lil' bruh
You are brown and this world is black and white lil' bruh
I know how it sounds lil' bruh, but you'll be alright lil' bruh yeah[Chorus]
I bet this song, make no sense to you
With the world on your shoulders, what can you see?
God blessed us all, with the gift to pursue
Just clear your mind and, you'll feel like me
Yeah!Forget what you read lil' bruh
Get them words our your head lil' bruh
With those shades the world's the same don't you know lil' bruh?
It only just fades lil' bruh, but can't hide your glow lil' bruh
Yeah, cause[Chorus]Forget the latest lil' bruh
You're the greatest lil' bruh
You were made to amaze and bring change lil' bruh
It takes one to know one bruh, so here's one to grown on bruh
Yeah[Chorus]
You'll feel like me
You'll feel like me
